

ABOUT OUR PIZZA

Our dough is made with fresh yeast, salt, water & '00' flour; it's slowly fermented for a minimum of 24 hours at room temperature. Our pizza is neapolitan style, so the dough is soft and floppy, not crispy making it easier to digest. We use San Marzano tomatoes, which are picked from the bottom of Mount Vesuvius in Naples.

We suggest using a knife and fork or folding your slices by hand for strength. 12" is the average size. We do not vary in style (eg. thin and crispy or deep pan) as our pizza is a product of Naples and it's methods.

ALLERGENS

All of our food is prepared freshly in our kitchen where nuts, fish, gluten & other possible allergens are handled. Please ask for a full list of ingredients & dietary information.

EVENT CATERING

Planning a Wedding/Birthday Party/Corporate Event?

We have portable ovens to cater any event, please ask a member of staff for details.
